

EUFANET

EUropean Failure Analysis Network

The **EU**ropean
Failure **A**nalysis
NETwork

What is EUFANET?

- EUFANET is a network dedicated to FA of electronic components and assemblies
- The aim of our network is to foster technical information exchange within the European FA community

What EUFANET does

- We maintain our web presence at

<http://www.eufanet.org/>

Including:

- Technical Stuff
- Yellow Pages
- We facilitate email forums at
forum@eufanet.org
- We organize workshop like this one!

What will be next?

- Extended workshop
 - CHALLENGES FOR THREE-DIMENSIONAL (3D) ICS AND SYSTEMS
 - Free, Toulouse, November 28-29, 2011
 - Dresden, Q1 2012, TBD
- Moving to EDFAS' European Chapter
 - Could be implemented as two EUFANET membership types:
 - Existing, free membership (EUFANET only)
 - Paying membership with EDFAS “Europe”
 - To be achieved end 2012
